

AGS DOG GROOMING SCHOOL

COURSE GUIDE

Welcome

AGS Dog Grooming School is a professional training provider committed to helping you turn your love for dogs into a rewarding career. Our experienced team of groomers is passionate about teaching and dedicated to creating a supportive, hands-on learning environment where students can build real skills and confidence. Whether you're a complete beginner or looking to enhance your existing grooming abilities, we're here to guide you every step of the way.

We offer a variety of courses designed to suit all experience levels. From introductory grooming and dog handling to advanced breed-specific techniques and salon management, our programs combine practical experience with industry-relevant knowledge. Training takes place in a real salon setting, giving students the opportunity to work with real clients and real dogs from day one. With flexible full-time, part-time, and weekend schedules—as well as personalised one-on-one mentorship options—our courses are built to fit around your life and goals.

At AGS, we do more than just teach grooming—we support you in building a career. Our trainers provide ongoing guidance, career advice, and business support throughout your learning journey and beyond. When you study with us, you're not just learning a trade—you're joining a community of professionals who are genuinely invested in your success. If you're ready to take the next step, AGS Dog Grooming School is here to help you get there.

PRIVATE 1:1 LESSONS

Our private 1:1 lessons are designed for dog owners who want to learn how to groom their own pets with confidence and care. This one-day intensive session provides hands-on training tailored specifically to your dog's breed, coat type, and grooming needs. By the end of the session, you'll feel more confident and capable in maintaining your dog's coat at home, saving on grooming costs while strengthening the bond with your furry friend.

In this workshop, you'll learn:

- How to safely bathe, brush, and dry your dog
- Clipping and trimming techniques suited to your dog's coat type
- Nail trimming, ear cleaning, and basic hygiene maintenance
- Tips for managing anxious or wiggly dogs
- Recommended tools and how to use them correctly

No experience needed – just bring your dog and your enthusiasm!

You'll leave with new skills, more confidence, and a freshly groomed pup.

Duration: 1 day (6 hours)

Tools can be provided for you but we encourage you to bring your own.

HOW TO SECURE YOUR SPOT

To secure your spot in one of our grooming courses, a deposit is required at the time of booking. This deposit guarantees your place in the class and allows us to prepare your training materials and schedule. Spaces are limited and often fill quickly, so we recommend securing your spot early to avoid missing out. Once your deposit is received, you'll receive a confirmation email with all the details you need to prepare for your course. The remaining balance is due one week before the course start date.
